Using her degrees in Performing and Expressive Arts, Cynthia will teach us how to build and maintain successful teams. This workshop is for Directors and Site Coordinators only! 🍎

Melissa Gopnik, Managing Director for Boston Area Rape Crisis Center

"She Did What? / He Said What? - How To Respond To The Sexual Behaviors Of Children"

The goal of this workshop is to demonstrate a model for responding to sexual behaviors to promote healthy child development and prevent child sexual abuse. Learn to identify children's sexual behaviors through identification of problematic behaviors. Strengthen communication about sexual behaviors.

Liz Kennedy, M.Ed, Director Burr Community Afterschool Program

"Bullying Prevention"

Responses to bullying, such as "Words can't hurt you" or "Ignore it", just do not work and are not fair to children. This workshop is an introduction to a practical, research-based rubric approach that is applicable to all kids. Discuss how to define bullying, and how to support both victims and aggressors.

Donna Litz, MA EEC Licensor

"EEC Hot Topics!"

As we all know, new regulations became effective on 1/22/2010. Along with these new regulations, many new questions and concerns have followed. Let Donna assist you in finding answers to some online trainings. Partake in some helpful discussion time. This workshop is for Directors and Site Coordinators only! 🍎

Janet Lucey, Out of School Time Inclusion Specialist from The Newton Partnership

"Creating Strategies To Support Children With Special Needs In Afterschool Programs"

The number of children presented with learning and behavioral challenges is on the rise. As more children are diagnosed with varying disabilities, teachers of afterschools are presented with the challenge of how best to meet their needs. Learn practical tips on how to create an environment where children will be successful. Workshop will conclude with a hands-on "make and take" project and sharing segment.

Francis Nellenback, M.Ed, Teacher CCC & Southborough Public Schools

"Put Some ZIP In Your Gym Games"

Tired of the "same old same old" in the gym? Let Nellie inspire you to take on some new challenges so you can breathe new life into your gym program.

Terese Walkeapaa, Director Williams After School Club Program

"Ethics In Afterschool Education"

Who do we have an ethical responsibility to? What is the NAA Code of Ethics and how can it make your job easier? These questions and many more related topics will be explored, as well as situational ethical dilemmas to solve.
