

A long time ago in a galaxy far, far away...

THE WASC WARS

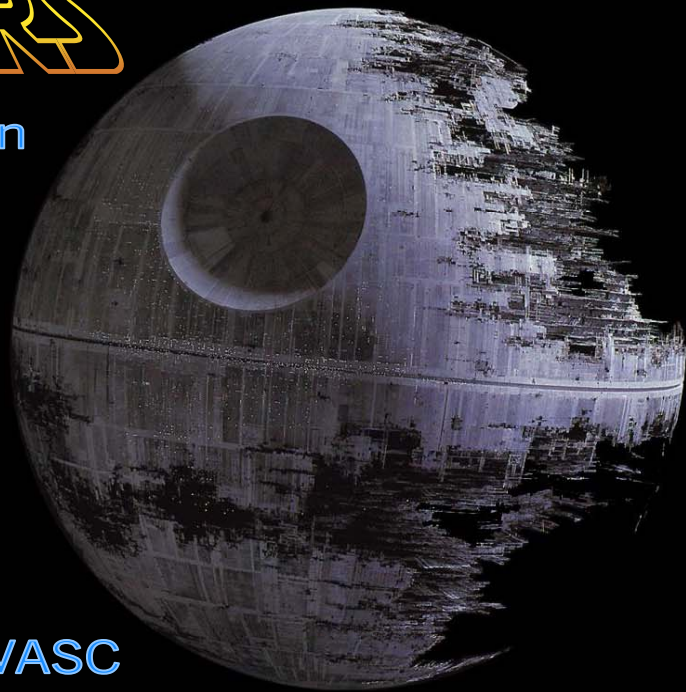

Two years after the Battle of Yavin and the destruction of the Death Star, the galaxy is still in a period of Civil War.

On the small friendly planet of WASC, with the support of Emperor Palpatine, a band of thugs have taken control over the WASC government.

With the thugs in control, planet WASC has become a dark place, full of destruction and despair.

The WASC Queen has been falsely imprisoned and peace no longer exists on planet WASC.

A group of heroes have banded together in secrecy to take back their planet. The heroes plan to take on the band of thugs to rescue their Queen and regain peace.
